Ivory Act 2018: Section 2 – Certificate of outstandingly high artistic, cultural or historical value, for an item made before 1918

Certificate number:

Date issued:

This certificate is proof that the following item is exempt from the ivory ban and therefore allows the owner to sell or hire out the item.

Item details

Type of item:

Location of the ivory:

Unique features:

Where it was made:

When it was made:

Photographs of the item

Declaration

As part of the application process the owner has declared that:

- the item was made before 1918
- any replacement ivory was taken from an elephant before 1st January 1975

After being assessed by a relevant expert, we also concluded that the item was of outstandingly high artistic, cultural or historical value.

It is the responsibility of the item's owner to ensure that the information on this certificate is correct. If you notice anything that is inaccurate or incomplete you must contact IvoryAct@apha.gov.uk immediately.
